

Climate change and health: the evidence

WHEN: Wednesday 24 March 2010 from 12.30–14.00 (GMT+1)

WHERE: WHO Library Meeting Room

(free refreshments from 12.00–12.30)

Dr Colin Summerhayes

Don't miss Dr Colin Summerhayes, executive director of the Scientific Committee on Antarctic Research and WHO's Dr Maria Neira, director of Public Health and Environment, as they debate the controversial evidence on climate change and its effect on human health.

Dr Maria Neira

The seminar has been jointly organized with University College London, the Wellcome Trust, and the Department of Knowledge Management and Sharing (KMS).
