

Programme changes for 2021/2

This document summarises changes in programme structures (the modules that will be taught) and assessment.

Department / School	Computer Science
Programme(s)	Please see our Recruitment webpages: MSc Cyber Security Plus Programme Specification: MSc Cyber Security

Summary of Changes

Programme Structure

In terms of the structure of the programme, there are no substantive changes proposed, largely allowing the return to the programme to their pre-Covid delivery.

The teaching pattern will be usual single or double four-week teaching blocks across Autumn and Spring Terms, separated by a reading week in week 6.

For **assessment**, we'll be continuing to assess students by coursework due in after the end of each module.
