

## Programme changes for 2021/2

This document summarises changes in programme structures (the modules that will be taught) and assessment.

Department / School	History
Programme(s)	MA in Medieval History MA in Early Modern History MA in Modern History MA in Public History MA in Contemporary History and International Politics MA in Medical History and Humanities MA in Renaissance and Early Modern Studies

### Summary of Changes

We'll be continuing to assess students through a combination of coursework and online exams, and specific assessment plans will be available for each module by the start of the module.

There will be no changes to the structures of our programmes. As usual, in addition to our core modules, students will choose from a wide range of option modules taught by specialists, which change each year. We ensure that the most students possible get the highest of their choices preferable.
