

## Programme changes for 2021/2

This document summarises changes in programme structures (the modules that will be taught) and assessment.

Department / School	History of Art
Programme(s)	BA Curating and Art History BA Curating and Art History with a Year Abroad

Summary of Changes
<p>Structure remains the same as before March 2020.</p> <p>As planned prior to Covid, the 10% seminar contribution assessment component will be permanently removed.</p> <p>Final Stage Autumn term trips will consist of either a few days or multiple single-day trips to UK locations, instead of the international trips that have run previously. The aim is to return to running international trips in Autumn 2022.</p> <p>Arrangements for the Curating Internship will be discussed with students individually, as usual. We anticipate that internships will still be overseen by our partner institutions and be directly relevant to their collections and/or professional activities.</p>
