

Programme changes for 2021/2

This document summarises changes in programme structures (the modules that will be taught) and assessment.

Department / School	Theatre, Film, Television and Interactive Media
Programme(s)	BA Business of the Creative Industries

Summary of Changes

Assessment:

We anticipate **no changes to the advertised modes of assessment**: essays, presentations and group work will continue as specified in the module catalogue. However, if social distancing or government guidelines become restrictive, we may consider online alternatives to some live presentation assessments, or to practical work that might otherwise require the use of specialist spaces - like TV studios - or equipment.

Teaching Structure:

We do not anticipate any changes to the structure of our teaching this year: all core modules and options are expected to be delivered as planned, and in the balance of components - lectures, seminars, workshops, etc. - as planned.
