

Programme changes for 2021/2

This document summarises changes in programme structures (the modules that will be taught) and assessment.

Department / School	Theatre, Film, Television and Interactive Media
Programme(s)	BA Theatre: Writing, Directing and Performance

Summary of Changes

Assessment:

We'll be continuing to assess students through a combination of assessments formats, including: coursework, presentations, vivas, small-group performances, portfolios, and group productions. Specific assessment plans will be available for each module by the start of the module. Performance assessments will generally be taken in an in-person environment, such as the TFTI building, but other formats (such as recorded performances) may be set.

Programme Structure:

In 2021/22, we will be reverting back to the 'pre-Covid' programme structure.

This means that in second year the Theatre Texts and Contexts module will move back to Term 1 and Political Theatres will move back to term 2, while in third year, the Pre-1900 Production Project will move back to term 1 along with the Directing for TFTV option module, and the Independent modules will all move to terms 2 and 3, instead of 1 and 2.
